International Development Planning Review

Editors: Daniel Hammett, University of Sheffield & Glyn Williams, University of Sheffield

*International Development Planning Review* is a peer-reviewed journal which provides an interdisciplinary platform for the critical study of development related practices, planning and policy in the global South.

Submissions are welcomed across a broad range of topics including but not limited to: demographic change and urbanization, shelter and infrastructure provision, livelihoods and economic activities, transport and communication networks, governance and civil society, urban and rural development policy and planning, and sustainability and environmental change.

*IDPR* publishes theoretically informed and empirically grounded papers, critical reviews, viewpoints and book reviews.

**Impact Factor:** International Development Planning Review’s impact factor was 1.738 in 2017.
Articles appearing this journal are indexed and abstracted in:

- Current Contents/Social and Behavioural Sciences (USA)

As a leading urban planning and regional planning journal, *Town Planning Review* provides a principal forum for communication between researchers and students, policy analysts and practitioners. It publishes a diversity of research approaches, welcoming full-length papers and review articles contributing to the advancement of town and regional planning research in highly developed economies and in emerging industrial states, particularly those relating to the areas of:

- Spatial planning
- Regional development and analysis
- Urban regeneration and renewal
- Local and regional economic development
- Community planning and participation
- Social cohesion and spatial inequalities
- Housing area planning and development
- Urban design and conservation
- Environmental planning and sustainable development
- Transport and infrastructure planning
- Rural planning and development
- Governance and institutions
Articles appearing in this journal are indexed or abstracted in:

- Architectural Periodicals Index
- Avery Index to Architectural Periodicals
- Emerging Sources Citation Index
- Environmental Periodicals Bibliography
- Geo Abstracts
- Human Resources Abstracts
- Publications of Informationsverbundzentrum Raum und Bau
- International Regional Science Review
- Policy and Politics
- Sage Public Administration Abstracts
- Sage Urban Studies Abstracts
